Bodmin to Newquay

“Newquay has ditched its kiss-me-quick reputation and given rise to a new breed of trendy bars, great restaurants and hotels. However, Newquay is still a place to plunge into the ocean, let your purse strings loose or let your hair down. But, it’s also a place to put your feet up, feast on fresh local produce and watch the sunset over the ocean. With a host of indoor and outdoor attractions – there’s something here for everyone.”
